WHEREAS, the Project qualifies for the State of Michigan Clean Water State Revolving Fund financing program being administered by the Michigan Finance Authority (the "Authority") and the Michigan Department of Environment, Great Lakes, and Energy ("EGLE"), whereby the bonds of the Township are sold to the Authority and bear interest at a fixed rate of one and seven-eighths percent (1.875%) per annum; and

WHEREAS, to finance part of the cost of the Project, the Township Board deems it necessary to borrow the principal sum of not to exceed Thirty Million Dollars (\$30,000,000) and issue capital improvement bonds pursuant to Act 34, Public Acts of Michigan, 2001, as amended ("Act 34"); and

WHEREAS, a notice of intent was published in accordance with Act 34 which provides that the capital improvement bonds may be issued without a vote of the electors of the Township unless a proper petition for an election on the question of the issuance of the bonds is filed with the Township Clerk within a period of forty-five (45) days from the date of publication, and no such petition was filed within the requisite period.

NOW, THEREFORE, BE IT RESOLVED THAT:

1. Authorization of Bonds; Bond Terms. Bonds of the Township designated 2021 CAPITAL IMPROVEMENT BONDS (LIMITED TAX GENERAL OBLIGATION) (the “Bonds”) are authorized to be issued in the aggregate principal sum of not to exceed Thirty Million Dollars (\$30,000,000) as finally determined by order of the EGLE for the purpose of paying the cost of the Project, including the costs incidental to the issuance, sale and delivery of the Bonds. The Bonds shall be in the form of a single fully-registered, nonconvertible bond of the denomination of the full principal amount thereof, dated as of the date of delivery, payable in principal installments as finally determined at the time of sale of the Bonds and approved by the Authority and either the Supervisor, Township Treasurer or Township Clerk (each an “Authorized Officer”). Final determination of the principal amount of and interest on the Bonds and the payment dates and amounts of principal installments of the Bonds shall be evidenced by the execution of a purchase contract (the “Purchase Contract”) between the Township and the Authority providing for sale of the Bonds and each of the Authorized Officers is authorized and directed to execute and deliver the Purchase Contract when it is in final form and to make the determinations set forth above; provided, however, that the first principal installment shall be due no earlier than October 1, 2022, the total number of principal installments shall not exceed twenty-five (25), and the total principal amount shall not exceed \$30,000,000.

The Bonds shall bear interest at an interest rate per annum on the par value thereof as evidenced by execution of the Purchase Contract, but in any event not to exceed one and seven-eighths percent (1.875%) per annum and any of the Authorized Officers as shall be appropriate shall deliver the Bonds in accordance with the delivery instructions of the Authority. The principal amount of the Bonds is expected to be drawn down by the Township periodically, and interest on the principal amount shall accrue from the date such principal amount is drawn down by the Township.

The Bonds shall not be convertible or exchangeable into more than one fully-registered bond. Principal of and interest on the Bonds shall be payable as provided in the Bond form in this Resolution.

The Bonds or principal installments thereof shall be subject to prepayment prior to maturity by the Township with the prior approval of the Authority.

The Township Treasurer shall record on the registration books payment by the Township of each installment of principal or interest or both when made and the cancelled checks or other records evidencing such payments shall be returned to and retained by the Township Treasurer.

Upon payment by the Township of all outstanding principal of and interest on the Bonds, the Authority shall deliver the Bonds to the Township for cancellation.

2. Execution of Bonds. The Supervisor and Township Clerk are authorized to execute and deliver the Bonds in accordance with the delivery instructions of the Authority. The Bonds of this issue shall be executed in the name of the Township with the manual or facsimile signatures of the Supervisor and Township Clerk of the Township and shall have the seal of the

Township, or a facsimile thereof, printed or impressed on the Bonds. The Bonds bearing the manual or facsimile signatures of the Supervisor and the Township Clerk sold to the Authority shall require no further authentication.

3. Transfer of Bonds. Any Bond may be transferred upon the books required to be kept pursuant to this section by the person in whose name it is registered, in person or by the registered owner's duly authorized attorney, upon surrender of the Bond for cancellation, accompanied by delivery of a duly executed written instrument of transfer in a form approved by the transfer agent. Whenever any Bond or Bonds shall be surrendered for transfer, the Township shall execute and the transfer agent shall authenticate and deliver a new Bond or Bonds, for like aggregate principal amount. The transfer agent shall require payment by the bondholder requesting the transfer of any tax or other governmental charge required to be paid with respect to the transfer. The Township shall not be required (i) to issue, register the transfer of or exchange any Bond during a period beginning at the opening of business 15 days before the day of the giving of a notice of redemption of Bonds selected for redemption as described in the form of Bonds contained in Section 6 of this Resolution and ending at the close of business on the day of that giving of notice, or (ii) to register the transfer of or exchange any Bond so selected for redemption in whole or in part, except the unredeemed portion of Bonds being redeemed in part. The Township shall give the transfer agent notice of call for redemption at least 20 days prior to the date notice of redemption is to be given.

The transfer agent shall keep or cause to be kept at its principal office sufficient books for the registration and transfer of the Bonds, which shall at all times be open to inspection by the Township; and upon presentation for such purpose the transfer agent shall under such reasonable regulations as it may prescribe transfer or cause to be transferred on said books Bonds as hereinbefore provided.

4. Limited Tax Pledge; Debt Retirement Fund; Defeasance of Bonds. The Township hereby pledges its limited tax full faith and credit for the prompt payment of the Bonds. The Township shall, each year budget the amount of the debt service coming due in the next fiscal year on the principal of and interest on the Bonds and shall advance as a first budget obligation from its general funds available therefor, or, if necessary, levy taxes upon all taxable property in the Township subject to applicable constitutional, statutory and charter tax rate limitations, such sums as may be necessary to pay such debt service in said fiscal year.

The Township Treasurer is authorized and directed to open a depository account with a bank or trust company designated by the Township Board, to be designated 2021 CAPITAL IMPROVEMENT BONDS DEBT RETIREMENT FUND (the "Debt Retirement Fund"), the moneys to be deposited into the Debt Retirement Fund to be specifically earmarked and used solely for the purpose of paying principal of and interest on the Bonds as they mature.

In the event cash or direct obligations of the United States or obligations the principal of and interest on which are guaranteed by the United States, or a combination thereof, the principal of and interest on which, without reinvestment, come due at times and in amounts sufficient to pay at maturity or irrevocable call for earlier optional redemption, the principal of, premium, if any, and interest on the Bonds, shall be deposited in trust, this Resolution shall be defeased and

the owners of the Bonds shall have no further rights under this Resolution except to receive payment of the principal of, premium, if any, and interest on the Bonds from the cash or securities deposited in trust and the interest and gains thereon and to transfer and exchange Bonds as provided herein.

5. Construction Fund; Proceeds of Bond Sale. The Township Treasurer is authorized and directed to open a separate depository account with a bank or trust company designated by the Township Board, to be designated 2021 CAPITAL IMPROVEMENT BONDS CONSTRUCTION FUND (the "Construction Fund") and deposit into said Construction Fund the proceeds of the Bonds less accrued interest, if any, which shall be deposited into the Debt Retirement Fund. The moneys in the Construction Fund shall be used solely to pay the costs of the Project and the costs of issuance of the Bonds.

6. Bond Form. The Bonds shall be in substantially the following form with such changes or completion as necessary or appropriate to give effect to the intent of this Resolution:

UNITED STATES OF AMERICA
STATE OF MICHIGAN
COUNTY OF WASHTENAW

CHARTER TOWNSHIP OF PITTSFIELD
2021 CAPITAL IMPROVEMENT BOND
(LIMITED TAX GENERAL OBLIGATION)

REGISTERED OWNER: Michigan Finance Authority

PRINCIPAL AMOUNT: _____ Dollars (\$____,000)

DATE OF ORIGINAL ISSUE: December 10, 2021

The CHARTER TOWNSHIP OF PITTSFIELD, County of Washtenaw, State of Michigan (the “Township”), for value received, hereby promises to pay to the Michigan Finance Authority (the “Authority”), or registered assigns, the Principal Amount shown above, or such portion thereof as shall have been advanced to the Township pursuant to a Purchase Contract between the Township and the Authority and a Supplemental Agreement by and among the Township, the Authority and the State of Michigan acting through the Department of Environmental Quality, in lawful money of the United States of America, unless prepaid or reduced prior thereto as hereinafter provided.

During the time the Principal Amount is being drawn down by the Township under this bond, the Authority will periodically provide to the Township a statement showing the amount of principal that has been advanced and the date of each advance, which statement shall constitute prima facie evidence of the reported information; provided that no failure on the part of the Authority to provide such a statement or to reflect a disbursement or the correct amount of a disbursement shall relieve the Township of its obligation to repay the outstanding Principal Amount actually advanced, all accrued interest thereon, and any other amount payable with respect thereto in accordance with the terms of this bond.

The Principal Amount shall be payable on the dates and in the annual principal installment amounts set forth on the Schedule A attached hereto and made a part hereof, as such Schedule may be adjusted if less than \$_____ is disbursed to the Township or if a portion of the Principal Amount is prepaid as provided below, with interest on said principal installments from the date each said installment is delivered to the holder hereof until paid at the rate of one and seven-eighths percent (1.875%) per annum. Interest is first payable on April 1, 2022, and semiannually thereafter and principal is payable on the first day of October, commencing October 1, 2024 (as identified in the Purchase Contract) and annually thereafter.

Notwithstanding any other provision of this bond, as long as the Authority is the owner of this bond, (a) this bond is payable as to principal, premium, if any, and interest at the designated office of The Bank of New York Mellon Trust Company, N.A., Detroit, Michigan, or at such

other place as shall be designated in writing to the Township by the Authority (the "Authority's Depository"); (b) the Township agrees that it will deposit with the Authority's Depository payments of the principal of, premium, if any, and interest on this bond in immediately available funds at least five business days prior to the date on which any such payment is due whether by maturity, redemption or otherwise; and (c) written notice of any redemption of this bond shall be given by the Township and received by the Authority's Depository at least 40 days prior to the date on which such redemption is to be made.

Additional Interest

In the event of a default in the payment of principal or interest hereon when due, whether at maturity, by redemption or otherwise, the amount of such default shall bear interest (the "additional interest") at a rate equal to the rate of interest which is two percent above the Authority's cost of providing funds (as determined by the Authority) to make payment on the bonds of the Authority issued to provide funds to purchase this bond but in no event in excess of the maximum rate of interest permitted by law. The additional interest shall continue to accrue until the Authority has been fully reimbursed for all costs incurred by the Authority (as determined by the Authority) as a consequence of the Township's default. Such additional interest shall be payable on the interest payment date following demand of the Authority. In the event that (for reasons other than the default in the payment of any municipal obligation purchased by the Authority) the investment of amounts in the reserve account established by the Authority for the bonds of the Authority issued to provide funds to purchase this bond fails to provide sufficient available funds (together with any other funds which may be made available for such purpose) to pay the interest on outstanding bonds of the Authority issued to fund such account, the Township shall and hereby agrees to pay on demand only the Township's pro rata share (as determined by the Authority) of such deficiency as additional interest on this bond.

This bond is the single, fully registered, nonconvertible bond in the principal sum of \$_____, issued for the purpose of paying all or part of the cost of improvements to the Township's wastewater collection system, including installation of new gravity sewer, rehabilitation of 7,440 feet of existing 24 and 36-inch gravity sewer, and removal of pump station(s), together with all related appurtenances and attachments thereto. This bond is issued under the provisions of Act 34, Public Acts of Michigan, 2001, as amended and a duly adopted resolution of the Township.

Principal installments of this bond are subject to prepayment by the Township prior to maturity only with the prior written consent of the Authority and on such terms as may be required by the Authority.

This bond is transferable only upon the books of the Township by the registered owner in person or the registered owner's attorney duly authorized in writing, upon the surrender of this bond together with a written instrument of transfer satisfactory to the transfer agent, duly executed by the registered owner or the registered owner's attorney duly authorized in writing, and thereupon a new bond or bonds in the same aggregate principal amount and of the same maturity shall be issued to the transferee in exchange therefor as provided in the resolution, and upon payment of the charges, if any, therein prescribed.

This bond, including the interest thereon, is payable as a first budget obligation from the general funds of the Township, and the Township is required, if necessary, to levy ad valorem taxes on all taxable property in the Township for the payment thereof, subject to applicable constitutional and statutory tax rate limitations.

It is hereby certified and recited that all acts, conditions and things required by law to be done, precedent to and in the issuance of this bond, exist and have been done and performed in regular and due form and time as required by law, and that the total indebtedness of the Township, including this bond, does not exceed any constitutional, statutory or charter debt limitation.

IN WITNESS WHEREOF, the Charter Township of Pittsfield, by its Township Board, has caused this bond to be signed in the name of the Township by the [manual][facsimile] signatures of its Supervisor and Township Clerk and [a facsimile of] its corporate seal [impressed] [to be printed hereon], all as of the Date of Original Issue.
