## Fiscal Year Update

Oct 2020 – Sept 2021  
Presented: November 2021

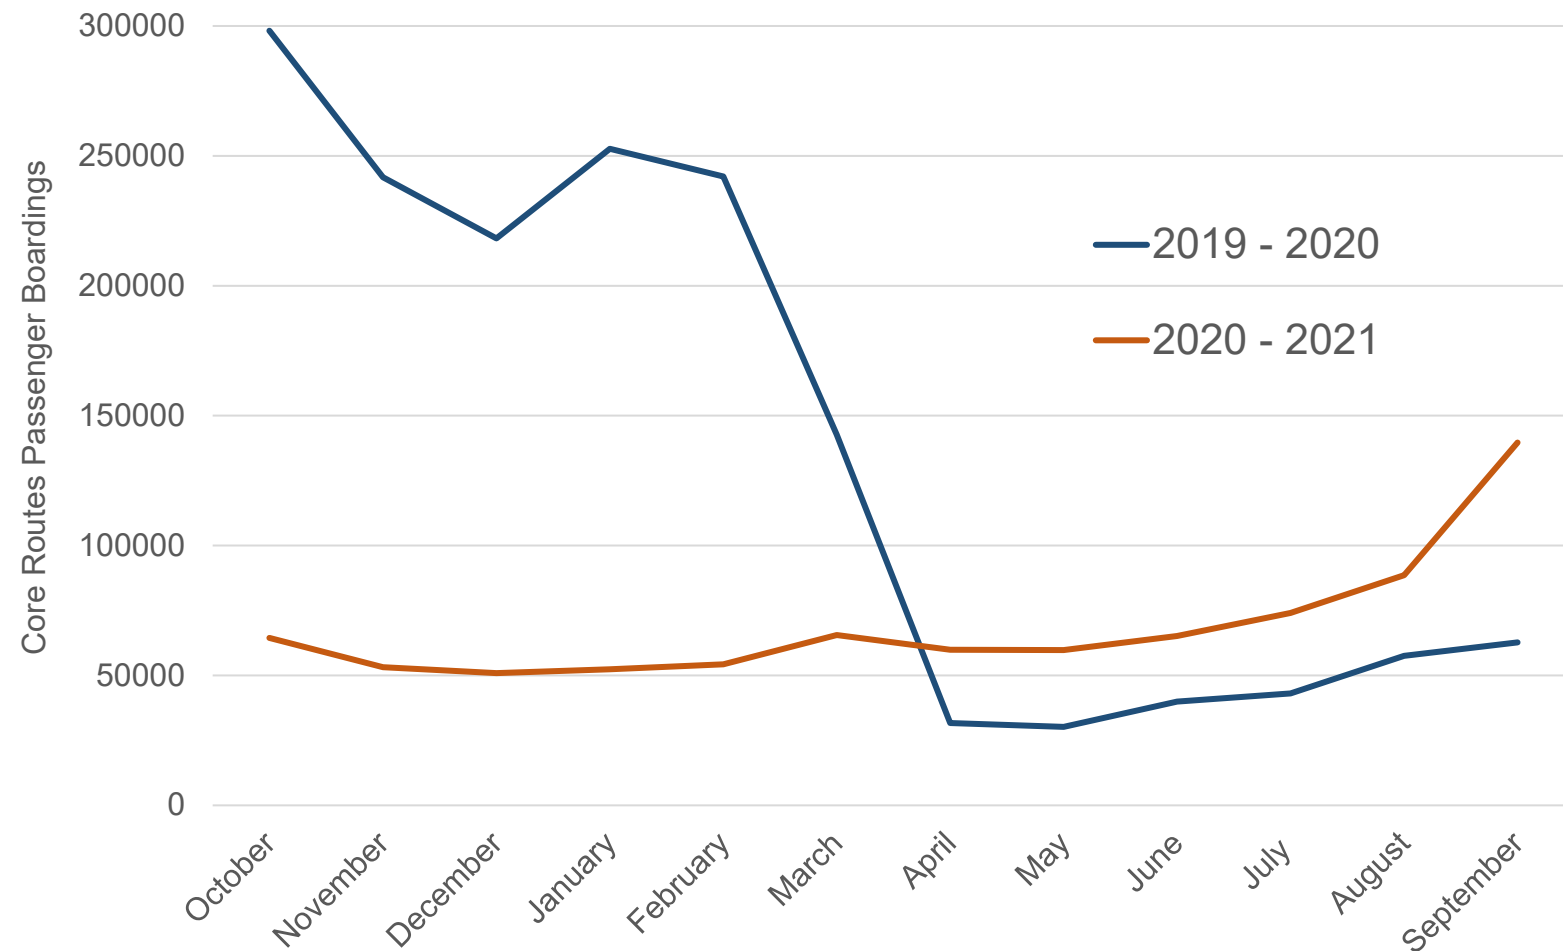

# Fixed Route Services (4, 5, 6, 24, 25, 27, 66)

# Fixed Route Services – Ridership

Ridership decreased significantly during the 2020 pandemic lockdown restrictions and is recovering slowly

# Fixed Route Services – 2021 Restoration

Service restored to pre-pandemic levels in August 2021

Changes to routes were made to correct problems that existed before the pandemic.

## Restoration Principles

- Restore 100% of pre-pandemic service hours.
- Maintain similar geographic service coverage.
- Improve service reliability with focus on routes with higher ridership.
- Review and modify routes and service levels with lower ridership to better utilize limited resources.
- Simplify route branching to make system easier to understand and communicate.
