Re: Water Rate Increase

Dear Mr. Weirich:

Pursuant to Pittsfield Township's Water Service Contract with the Ypsilanti Community Utilities Authority, a sixty-day notice is required for an increase in the water rate. Therefore please consider this notification to Pittsfield Township that the rate for water service will increase 4% to \$3.62 per 100 cubic feet, effective for all invoices dated on or after October 1, 2022. Please note that the Great Lakes Water Authority has increased its rate to YCUA by 3.1% effective July 1, 2022.

Please contact me with any questions or concerns regarding this information by email at lblackburn@ycua.org or by phone at 734-484-4600 Ext. 116.
