

Hello!

We rent travel trailers which have 1 or 2 bedrooms, 1 bathroom. Kitchen with refrigerator, oven/stovetop range, and microwave oven. Living area with a dining table and sleeper sofa. These units are not wheelchair accessible.

Monthly rental rates start range from \$2995 per month and higher, plus transportation, setup, security deposit and pet fees. We also have a one-month minimum rental term.

If insurance is involved we can work directly with your insurance company.

The setup and transportation costs are typically between \$2,000 to \$3,000 but can be higher.

The security deposit is \$1,000.

Let me know if that falls within your budget and then I can get something formal together for you.
